9th INTERNATIONAL WEEK

AT THE FACULTY OF EDUCATION, PALACKÝ UNIVERSITY, OLOMOUC

First Call

Dear partners, dear colleagues, dear friends,

One year has come and gone, and now it is time we start planning another edition of our traditional International Week. This year it will take place from 30 September to 4 October. We do hope you will be interested in participating in the event. You are already cordially invited.

As usual, we did our best to present an interesting and attractive programme for you. You will have the opportunity to get to know the city of Olomouc, Palacký University and its Faculty of Education, meet many international colleagues, share your experience and knowledge with them, learn a lot of new things in the field of education and teacher training, and much more. All that through many formal and informal activities.

This event is for both teachers who will use their Erasmus teaching mobility and administrative staff dealing with international affairs who can come within Erasmus training mobility. Although the event is open to everybody, even to those who are not our official partners yet, priority will be given to the colleagues who will arrive within the Erasmus+ scheme. If you use the Erasmus teaching mobility, please be ready to give a lecture/seminar/workshop to our students.

There will be no registration fee. The participants will be provided with refreshments, three lunches (Monday – Wednesday) and an all-day excursion (Wednesday). Other expenses, such as accommodation, travel costs etc. are to be covered by the participants (it is possible to use the Erasmus+ funds). Due to our capacity purposes, we will be able to accept two people per university at the maximum.

You will have a chance to promote your institutions to our students at the International Fair, which will be probably held on Monday afternoon. Please bring along information leaflets and/or other promotional goods.

We look forward to your visit.

With best wishes,

Jana Kvintová
Vice-Dean for International Relations
